

What the Blind Man Saw
Luke 18:35-43

1. Faith is hearing and believing even when you can't see (II Corinthians 4:4 & 5:7).
2. You must resist people who hinder your spiritual progress (I Corinthians 16:9, Luke 18:38-39).
3. Jesus is never too busy to pause and help you (Psalm 46:1).
4. You must admit your need in order to be changed (Luke 18:41).
5. When you see the face of Jesus, you'll follow Him anywhere (II Corinthians 4:6).

The blind man saw two things:

- a) He saw his need.
- b) He saw an opportunity.
