

## Becoming an Incarnational and Missional People

I John 3:4-10

9/27/09

Incarnational = bearing or carrying the presence of God in our lives.

Missional = spending our lives doing the same thing Jesus did, seeking to reconcile people to God.

Gnosticism = a belief system that says salvation is based on knowledge and that this physical and material world doesn't matter. Because of this belief they do not believe in sin or the consequences of sin.

Conclusions:

1. Are you a Christ follower?
2. Do you practice righteousness?
3. Are you incarnational and missional?
