FEAR LEADS TO TORMENT!

- The Greek word for fear is phobos!
- This is defined as an irrational persistent fear or dread.
- Fear is the result of trusting in ourselves instead of God!

REGAINING WHAT THE ENEMY HAS STOLEN!

- Webster, “fear is a painful emotion or passion excited by an expectation of evil”
- Elizabeth Gawain, “fear is created not by the world around us, but in the mind, by what we think is going to happen.”
- Michel de Montaigne, “The man who fears suffering is already suffering from what he fears.”
- We begin to regain what the enemy has stolen by grasping an understanding of who we are in the eyes of God!
- Oswald Chambers, “The remarkable thing about fearing God is that when you fear God you fear nothing else!”
- Many of us don’t fear God because we have yet to understand His love for us!
